FUNDS AVAILABILITY POLICY

Vantage Credit Union (VCU) conforms to The Expedited Funds Availability Act, also known as REG CC.

VCU may place a hold on funds deposited with a check or checks, in compliance with REG CC.

Your receipt indicates the amount of deposit which will be held and for how long.

If you want more specific information regarding VCU's entire Funds Availability Policy, please request a copy of VCU's Membership and Account Agreement.

ENDORSEMENTS

Your endorsement must fit in the area on the back of the check labeled "endorsement."

IDENTIFICATION POLICY

Checks made payable to a business or organization may only be deposited into that business or organization account. Any cash back must be a separate withdrawal by an authorized signer.

VCU employees have the right to ask for and expect to receive identification from members prior to a financial transaction. The request for proper identification ensures account protection, should an employee not know a member.

Satisfactory identification may be a valid drivers license (with picture), U. S. Passport, or State Identification Card.

Non-members wishing to cash checks drawn upon VCU must present satisfactory identification and supply a thumbprint at the time of the transaction. VCU may require your financial institution to guarantee your endorsement.
