THIS IS YOUR CREDIT CARD AGREEMENT AND IT INCLUDES NECESSARY FEDERAL TRUTH-IN-LENDING DISCLOSURE STATEMENTS, WORLD MASTERCARD, MASTERCARD PLATINUM, MASTERCARD PLATINUM REWARDS AND MASTERCARD PLATINUM SECURED AGREEMENTS, AND ANY SPECIAL INSTRUCTIONS REGARDING THE USE OF YOUR WORLD MASTERCARD, MASTERCARD PLATINUM, MASTERCARD PLATINUM REWARDS AND MASTERCARD PLATINUM SECURED CREDIT CARDS, AND/OR ANY OTHER ACCOUNT ACCESS DEVICE. PLEASE BE CERTAIN TO READ THIS AGREEMENT CAREFULLY AND NOTIFY US AT ONCE IF ANY PARTS ARE UNCLEAR.

DEFINITIONS. In this Agreement, the reference to "We," "Us," "Our" and "Credit Union" mean VANTAGE CREDIT UNION. The words "You" and "Your" mean each person who accepts this Agreement or uses the World Mastercard, Mastercard Platinum, Mastercard Platinum Rewards or Mastercard Platinum Secured Credit Card(s). The words "Card" and "Credit Card" mean any World Mastercard, Mastercard Platinum, Mastercard Platinum Rewards or Mastercard Platinum Secured Credit Card issued to You by Us and any duplicates or renewals. If this is a joint Account, read singular pronouns in the plural.

PROMISE TO PAY. You understand that the following terms and conditions constitute Our Agreement with You. Your Account may be accessible through a variety of means which could include advance request forms, vouchers, checks, charge slips, Credit Cards and the like. Regardless of the access means, You promise to pay Us all amounts charged to Your Account by You or by any user who has access to Your Account, with actual, apparent or implied authority for use of Your Account, including Finance Charges and other fees or charges described herein.

USE OF YOUR CARD. You may use Your Card to buy goods and services in any place that it is honored and to get cash advances at participating financial institutions. You agree not to use Your Card for illegal transactions including, but not limited to, advances made for the purpose of gambling and/or wagering where such practices are in violation of applicable state and/or federal law.

INSTALLMENT PAYMENT CONVERSION OPTION. During each statement period, You may elect to convert any new standard variable-rate balance for purchases of goods and/or services that occurs during such period ("Unconverted Balance"), to a separate balance that is subject to a fixed periodic rate and amortized payment amount ("Installment Conversion").

Except to the extent that You may only have ten (10) active Installment Conversion balances outstanding at any one (1) time, there is no limit on the number of times that You may elect such an Installment Conversion. Balances for cash advances (including, but not limited to advances for gambling, money services, parlor merchants, and other quasi-cash like transactions), balance transfers, purchases made from merchants located outside of the United States of America, purchases made prior to the current billing cycle and as a result have already appeared on prior statements, and members that are not in good standing (including, but not limited to such members that have a delinquent loan or are otherwise in default in accordance with the terms below), purchases of goods and/or services that are less than \$100.00 and/or greater than \$10,000.00, and any instances in which payment due under this Agreement is in arrears, may not at any time be converted to an Installment Conversion balance.

To exercise this option You must inform Us of Your decision to do so prior to the close of the billing cycle in which the transaction occurs. Each portion of Your Unconverted Balance that You convert to an Installment Conversion balance will be subject to an amortizing Minimum Payment that will be sufficient to repay that Installment Conversion balance in substantially equal monthly payments. The Monthly Periodic Rate and corresponding Annual Percentage Rate applicable to all Installment Conversion balances is disclosed in the Finance Charges provision set forth below. The minimum payment(s) calculated for each Installment Conversion balance will be based on the rate shown below, and the amortized term that You select at the time of conversion.

The minimum payment(s) calculated for each Installment Conversion balance will be in addition to the Minimum Periodic Payment You are required to pay on any Unconverted Balance, as calculated according to the "Minimum Monthly Payments (Payment Schedule)" provision as also described below.

SECURITY. You acknowledge that You own any shares and/or collateral pledged as security and that there are no other liens against them other than Ours. You agree to perform all acts which are necessary to make Our security interest in the shares and/or collateral being pledged enforceable.

OTHER SECURITY. Collateral (other than household goods or any dwelling) given as security under this Agreement or for any other loan You may have with Us will secure all amounts You owe Us now and in the future if that status is reflected in the "Truth-In-Lending Disclosure" in any particular Agreement evidencing such debt.

CONSENSUAL LIEN ON SHARES. You grant and consent to a lien on Your shares or deposits with Us (except for IRA and Keogh accounts) and any dividends/interest due or to become due to You from Us to the extent You owe on any unpaid Credit Card balance and/or Overdraft Protection balance created through the use of Your Debit card or ATM card.

MASTERCARD PLATINUM SECURED CREDIT CARD RESTRICTIONS. In order to apply for and maintain a Mastercard Platinum Secured Card, You agree to grant Us a specific security interest in Your Mastercard Secured Savings Account with Us. The amount that is pledged will equal Your Credit Limit, but in no event will be less than \$500.00. In order to retain Card privileges, the funds pledged as security will remain in Your Mastercard Secured Savings Account unless You cancel Your Mastercard Platinum Secured Card and request the redemption of any funds given as security. You may do so at any time by returning any Mastercard Platinum Secured Cards issued to You and completing a Mastercard Secured Card Voluntary Closure form available from the Credit Union. Any funds securing Your Mastercard Platinum Secured Card (less any amounts You owe) will be transferred to Your Regular Savings Account 15 days after We receive Your request. If Your Mastercard Platinum Secured Card is closed for cause due to an overlimit or delinquent status, or is voluntarily closed while in an overlimit or delinquent status, any funds securing Your Mastercard Platinum Secured Card will immediately be applied to any balance owing. You agree to immediately pay in full any amount then outstanding on Your Account.

LINE OF CREDIT LIMITS. You will be notified of each specific Credit Limit for which You are approved, which total amount includes any Installment Conversion balance(s). Unless You are in default, any Credit Limits established for You will generally be self-replenishing as You make payments. Repayment of any Installment Conversion balance(s) will replenish the Unconverted Balance.

You will keep Your unpaid balance within Your Credit Limit set by Us, and You will pay any amount over Your Credit Limit on Our demand whether or not We authorize the advances which caused You to exceed Your Credit Limit. Even if Your unpaid balance is less than Your Credit Limit, You will have no credit available during any time that any aspect of Your Account is in default.

JOINT ACCOUNTS. Each Borrower will be responsible, jointly and severally, for the repayment of any amounts owed. If any Account access device, such as a Personal Identification Number (PIN) is requested and approved, You understand that any such Account access device(s) will be mailed only to the primary Borrower at the address We have on file for You. We may refuse to follow any instructions which run counter to this provision.

MINIMUM MONTHLY PAYMENTS (PAYMENT SCHEDULE). The Minimum Monthly Payment for all balances will be determined based on the status of the outstanding balance(s) of Your Account. The status of Your outstanding balance(s) will depend on whether the portion of Your balance is an Unconverted Balance or an Installment Conversion balance. The periodic payment for that portion of Your outstanding balance that is subject to an Unconverted Balance is described below. For balances that are subject to an Installment Conversion, the minimum payment(s) calculated for each Installment Conversion balance will be disclosed to You separately and will be based on the amortizing term that You select at the time of such Installment Conversion. You must continue to make the Minimum Periodic Payment(s) for each Unconverted Balance, together with the Minimum Payment(s) for any Installment Conversion balance, until all balances are paid in full.

Though You need only pay the Minimum Monthly Payments, You understand that You have the right to repay at any time without penalty. You also understand that You will only be charged periodic Finance Charges to the date You repay Your entire balance. You may make larger payments without penalty. Any partial payment or prepayment will not delay Your next scheduled payment. All payments to Us must be in lawful money of the United States. We may apply each payment to whichever Credit Card We wish. Except as required by law, the order in which We may apply payments is at Our discretion. Amounts paid in excess of the Minimum Monthly Payment due will be credited first to the balance with the highest annual percentage rate and any remaining portion to any other balances in descending order based on the applicable annual percentage rate. Any unpaid portion of the Finance Charge will be paid by subsequent payments and will not be added to Your principal balance. You understand that any delay in the repayment of Your unpaid balance will increase Your periodic Finance Charges and any acceleration in the repayment of Your unpaid balance will decrease Your periodic Finance Charges. The Minimum Monthly Payment that will be due for each billing cycle being accounted for is the sum of the Minimum Periodic Payment calculated on any outstanding Unconverted Balance, plus the Minimum Payment(s) due for any outstanding Installment Conversion balance.

For all World Mastercard, Mastercard Platinum, Mastercard Platinum Rewards and Mastercard Platinum Secured balances subject to an Unconverted Balance, Minimum Periodic Payments will be an amount equal to 3.00% of Your new unpaid World Mastercard, Mastercard Platinum, Mastercard Platinum Rewards or Mastercard Platinum Secured Account balance at the end of each billing cycle, subject to the lesser of \$26.00 or Your balance, plus any portion of the Minimum Periodic Payments shown on prior statement(s) which remains unpaid, plus any amount that exceeds any approved Credit Limit.

For all World Mastercard, Mastercard Platinum, Mastercard Platinum Rewards and Mastercard Platinum Secured balances that are subject to an Installment Conversion, the Minimum Payment(s) calculated for each Installment Conversion balance will be disclosed to You separately, and will be based on the amortizing term that You select at the time of such Installment Conversion.

You may, by separate agreement, authorize Us to charge an amount equal to: (a) the Minimum Periodic Payment shown on Your Periodic Billing Statement; (b) a fixed amount not less than 3.00% of Your approved Credit Limit; (c) the total New Balance shown on Your Periodic Billing Statement; or (d) the New Balance shown on Your Periodic Billing Statement, after any Installment Conversion payments due for such period are added, and any outstanding Installment Conversion balances and any Promotional balances are subtracted. If You authorize Us to do this, the amount designated in such agreement will be deducted automatically from Your checking or Regular Savings account with Us or Your checking account at another institution.

LATE CHARGE. If Your payment is more than 15 days late, You will be charged 5.00% of the payment due, subject to a maximum of \$25.00 and a minimum of \$10.00 (whenever the payment due is greater than \$25.00).

OTHER FEES AND CHARGES. You will be charged the following fees associated with the use of Your Card: (a) the lesser of \$25.00 or the amount of the minimum payment due for each check (or other negotiable instrument used for payment) that is returned unpaid; (b) \$10.00 for each copy of a receipt You request (refunded if the basis for the request is a dispute and it is resolved in Your favor); (c) \$10.00 for each replacement Card You request; (d) and \$10.00 for each duplicate statement You request.

FINANCE CHARGES. The Finance Charge for all Cards will be determined based on the status of the outstanding balance(s) of Your Account. The status of Your outstanding balance(s) will depend on whether the portion of Your balance is an Unconverted Balance or an Installment Conversion balance. For all balance types, You will be charged a Finance Charge at a Periodic Rate on Your Account for the period any balance is outstanding.

For Unconverted Balance transactions under Your World Mastercard, Mastercard Platinum, Mastercard Platinum Rewards or Mastercard Platinum Secured Credit Card(s), the balances subject to the periodic Finance Charge are the average daily transactions balances outstanding during the month (including new transactions). To get the average daily balance for Unconverted Balances, We take the beginning balance each day, add any new purchases, balance transfers, cash advances, insurance premiums, debit adjustments or other charges and subtract any Installment Conversion balances, payments, credits and unpaid Finance Charges. This gives Us the daily balance. Then, We add up all the daily balances for the billing cycle and divide them by the number of days in the billing cycle. The Finance Charge for a billing cycle is computed by multiplying the average daily balance subject to such Finance Charge by the Monthly Periodic Rate. Your due date is at least 21 days after the close of each billing cycle. You can avoid Finance Charges on Unconverted Balances for purchases of goods and services by paying the full amount of the entire Unconverted Balance owed each month by the payment due date. Otherwise, the new balance of purchases, and subsequent purchases from the date they are posted to Your Account, will be subject to a Finance Charge. Cash advances and balance transfers are always subject to a Finance Charge from the date they are posted to Your Account.

For the current Margin, Index, monthly periodic rate (and the corresponding Annual Percentage Rate) for Unconverted Balances, refer to the separate page titled "Additional Disclosure – Federal Truth-In-Lending Act" which has been provided in conjunction with Your Credit Card.

For Installment Conversion transactions under Your World Mastercard, Mastercard Platinum, Mastercard Platinum Rewards or Mastercard Platinum Secured Credit Card(s), the balances subject to the periodic Finance Charge are the average daily transactions balances outstanding during the month (including new transactions). To get the average daily balance for Installment Conversions, We take the beginning balance each day, add any new Installment Conversions, debit adjustments or other charges and subtract any payments, credits and unpaid Finance Charges. This gives Us the daily balance. Then, We add up all the daily balances for the billing cycle and divide them by the number of days in the billing cycle. The Finance Charge for a billing cycle is computed by multiplying the average daily balance subject to a Finance Charge by the Monthly Periodic Rate. Installment Conversion balances are always subject to a Finance Charge from the date they are posted to Your Account.

Installment Conversion balances are subject to a Monthly Periodic Rate of 0.07491% (corresponding ANNUAL PERCENTAGE RATE 8.99%).

VARIABLE RATE. All Unconverted Balance advances are subject to a Variable Rate which is based on the highest Prime Rate as published in the Money Rates section of The Wall Street Journal in effect on the 15th calendar day that immediately precedes the 1st day of each calendar quarter ("Index") plus Our Margin. The Index plus the Margin equals the Interest Rate. Changes in the Index will cause changes in the Interest Rate on the 1st day of the billing cycle during the months of January, April, July and October of each year. Increases or decreases in the Interest Rate will result in like increases or decreases in the Finance Charge and will affect the number of Your regularly scheduled payments. We may choose not to apply an increased rate resulting from an increase in the Index and if We do, You agree that such act will not constitute a reduction in Your Margin. You further agree that in such an event We would not lose Our right to apply any subsequent increase, whether or not occasioned by any previously unapplied increase.

PENALTY RATE. If Your Account is more than 60 days past due, subject to applicable law, the Margin applicable to Your entire balance of transactions existing at that time and in the future will be increased to 24.99%. An increase in the Margin will result in an increase in the Monthly Periodic Rate (corresponding to an increase in the Annual Percentage Rate). For detailed rate information concerning the manner in which the penalty rate may be applied to Your Account, refer to the separate page titled "Additional Disclosure - Federal Truth-In-Lending Act" which has been provided in conjunction with Your Credit Card.

During the three month period following such an increase, if We receive the first three consecutive required minimum periodic payments when due, the rate applicable to the balance of transactions that occurred prior to such increase will be returned to the standard variable periodic rate that would have otherwise been in effect.

PERIODIC STATEMENTS. On a regular basis, You will receive a statement showing all transactions on Your Account including amounts paid and borrowed since Your last statement. We will mail or deliver a statement each month in which there is a debit or credit balance or when a Finance Charge is imposed. We need not send You a statement if We feel Your Account is uncollectible or if We have started collection proceedings against You because You defaulted. Each statement is deemed to be a correct statement of account unless You establish a billing error pursuant to the Federal Truth-In-Lending Act.

DEFAULT. You will be in default if: (a) You do not make any payment or perform any obligation under this Agreement, or any other agreement that You may have with Us; or (b) You should die, become involved in any insolvency, receivership or custodial proceeding brought by or against You; or (c) You have made a false or misleading statement in Your credit application and/or in Your representations to Us while You owe money on Your Account; or (d) A judgment or tax lien should be filed against You or any attachment or garnishment should be issued against any of Your property or rights, specifically including anyone starting an action or proceeding to seize any of Your funds on deposit with Us; and/or (e) We should, in good faith, believe Your ability to repay Your indebtedness hereunder is or soon will be impaired, time being of the very essence.

Upon any occurrence of default, We may, to the extent permitted by law, cancel Your rights under this Agreement, require the return of all access devices and declare the entire balance of Your Account immediately due and payable, without prior notice or demand.

COLLECTION COSTS. In the event collection efforts are required to obtain payment on this Account, to the extent permitted by law, You agree to pay all court costs, private process server fees, investigation fees or other costs incurred in collection and reasonable attorneys' fees incurred in the course of collecting any amounts owed under this Agreement or in the recovery of any collateral.

ENFORCEMENT. We do not lose Our rights under this or any related agreement if We delay enforcing them. We can accept late payments, partial payments or any other payments, even if they are marked "paid in full" without losing any of Our rights under this Agreement. If any provision of this or any related agreement is determined to be unenforceable or invalid, all other provisions remain in full force and effect.

NOTIFICATION OF ADDRESS CHANGE. You will notify Us promptly in writing if You move or otherwise have a change of address.

CHANGE IN TERMS. We may change the terms of this Agreement by mailing or delivering to You written notice of the changes as prescribed by the Federal Truth-In-Lending Act. To the extent permitted by law, the right to change the terms of this Agreement includes, but is not limited to, the right to change the periodic rate applicable to Your unpaid balance and/or future advances.

CREDIT INSURANCE. Credit insurance is not required for any extension of credit under this Agreement. However, You may purchase any credit insurance available through Us and have the premiums added to Your outstanding balance. If You elect to do so, You will be given the necessary disclosures and documents separately.

INTEGRATED DOCUMENTS. Any separate sheet of paper labeled "Additional Disclosure — Federal Truth-In-Lending Act," which is delivered together with this Agreement or at a later date becomes an integrated part of this Agreement and Disclosure.

CONSENT TO AGREEMENT. You acknowledge receipt of a copy of this Agreement. By signing the application; or by using Your Account or any Account access device; or by authorizing another to use Your Account, You agree to and accept its terms.

UPDATING AND DISCLOSING FINANCIAL INFORMATION. You will provide facts to update information contained in Your original Account application or other financial information related to You, at Our request. You also agree that We may, from time to time, as We deem necessary, make inquiries pertaining to Your employment, credit standing and financial responsibility in accordance with applicable laws and regulations. You further agree that We may give information about the status and payment history of Your Account to consumer credit reporting agencies, a prospective employer or insurer, or a state or federal licensing agency having any apparent legitimate business need for such information.

TERMINATION. Either You or We may cancel Your Account or any particular Credit Card of Your Account, at any time, whether or not You are in default. You will, in any case, remain liable to pay any unpaid balances according to the terms of Your Account.

GOVERNING LAW. This Agreement is controlled and governed by the laws of the State of Missouri except to the extent that such laws are inconsistent with controlling federal law.

OWNERSHIP. Your Card remains Our property and may be cancelled by Us at any time without notice. You agree to surrender Your Card and to discontinue its use immediately upon Our request.

ISSUANCE OF A PERSONAL IDENTIFICATION NUMBER. We will issue You a Personal Identification Number (PIN) for use with participating Automated Teller Machines (ATMs). This PIN is confidential and should not be disclosed to anyone. You may use Your PIN to access Your Account and all sums advanced will be added to Your Account balance. In the event a use of Your PIN constitutes an Electronic Fund Transfer, the terms and conditions of Your Electronic Fund Transfer Agreement may also affect Your rights. Your use of the PIN is Your authorization to Us to withdraw funds from Your Account or charge Your Card to cover such transactions.

EFFECT OF AGREEMENT. Even though the sales, cash advance, credit or other slips You may sign or receive when using Your Card contain terms, this Agreement is the contract which solely applies to all transactions involving the Card.

UNAUTHORIZED USE. You may be liable for the unauthorized use of Your Card. You will not be liable for the unauthorized use that occurs after You notify Us of the loss, theft, or possible unauthorized use by calling Us at the telephone number shown in this Agreement or by writing to Us at the address shown in this Agreement. In any case, Your liability will not exceed \$50.00.

REFUSAL TO HONOR CARDS. We are not liable for the refusal or inability of merchants, financial institutions and others to accept the Cards, or electronic terminals to honor the Cards or complete a Card withdrawal, or for their retention of the Cards.

FOREIGN TRANSACTIONS. For transactions initiated in foreign currencies, the exchange rate between the transaction currency and the billing currency (U.S. dollars) will be: (a) a rate selected by Mastercard from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Mastercard itself receives; or (b) the government-mandated rate in effect for the applicable central processing date. In each instance, You will be charged 1.00% calculated on the final settlement amount. Transactions initiated via the internet with merchants or other parties located outside of the United States of America are deemed to occur in the foreign country where the merchant or other party is located.

TRANSACTION SLIPS. Your monthly statement will identify that merchant, electronic terminal or financial institution at which transactions were made, but sales, cash advances, credit or other slips cannot be returned with the statement.

LOST CARDS. To report lost or stolen Credit Cards or PINs, or any combination thereof, You will immediately call the following numbers: (314) 298-0055 or (800) 522-6009 during regular business hours. After business hours, for Mastercard Platinum, Mastercard Platinum Rewards or Mastercard Platinum Secured Credit Cards call (866) 820-3944 and for World Mastercard Credit Cards call (866) 820-2908.

CREDITS. If a merchant who honors Your Card gives You credit for returns or adjustments, they will do so by sending Us a slip which will be posted to Your Account. If Your credits and payments exceed what You owe Us, We will hold and apply this credit against future purchases and cash advances, or if it is \$1.00 or more refund it on Your written request or automatically deposit it to Your Regular Savings account after six months.

ORAL AGREEMENTS. Oral agreements or commitments to loan money, extend credit or to forbear from enforcing repayment of a debt including promises to extend or renew such debt are not enforceable. To protect You and Us from misunderstanding or disappointment, any agreements We reach covering such matters are contained in this writing, which is the complete and exclusive statement of the agreement between Us, except as We may later agree in writing to modify it.

Your Billing Rights: Keep this Document for Future Use

This notice tells You about Your rights and Our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement

If You think there is an error on Your statement, write to Us at Our address shown in this Agreement. In Your letter, give Us the following information:

- **Account information:** Your name and Account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If You think there is an error on Your bill, describe what You believe is wrong and why You believe it is a mistake.

You must contact Us:

- Within 60 days after the error appeared on Your statement.
- At least three business days before an automated payment is scheduled, if You want to stop payment on the amount You think is wrong.

You must notify Us of any potential errors in writing. You may call Us, but if You do We are not required to investigate any potential errors and You may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When We receive Your letter, We must do two things:

- 1) Within 30 days of receiving Your letter, We must tell You that We received Your letter. We will also tell You if We have already corrected the error.
- 2) Within 90 days of receiving Your letter, We must either correct the error or explain to You why We believe the bill is correct.

While We investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report You as delinquent on that amount.
- The charge in question may remain on Your statement, and We may continue to charge You interest on that amount.
- While You do not have to pay the amount in question, You are responsible for the remainder of Your balance.
- We can apply any unpaid amount against Your Credit Limit.

After We finish Our investigation, one of two things will happen:

- **If We made a mistake:** You will not have to pay the amount in question or any interest or other fees related to that amount.
- **If We do not believe there was a mistake:** You will have to pay the amount in question, along with applicable interest and fees. We will send You a statement of the amount You owe and the date payment is due. We may then report You as delinquent if You do not pay the amount We think You owe.

If You receive Our explanation but still believe Your bill is wrong, You must write to Us within 10 days telling Us that You still refuse to pay. If You do so, We cannot report You as delinquent without also reporting that You are questioning Your bill. We must tell You the name of anyone to whom We reported You as delinquent, and We must let those organizations know when the matter has been settled between Us. If We do not follow all of the rules above, You do not have to pay the first \$50.00 of the amount You question even if Your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If You are dissatisfied with the goods or services that You have purchased with Your Credit Card, and You have tried in good faith to correct the problem with the merchant, You may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

- 1) The purchase must have been made in Your home state or within 100 miles of Your current mailing address, and the purchase price must have been more than \$50.00. (Note: Neither of these are necessary if Your purchase was based on an advertisement We mailed to You, or if We own the company that sold You the goods or services.)
- 2) You must have used Your Credit Card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses Your Credit Card account do not qualify.
- 3) You must not yet have fully paid for the purchase.

If all of the criteria above are met and You are still dissatisfied with the purchase, contact Us in writing at Our address shown in this Agreement.

While We investigate, the same rules apply to the disputed amount as discussed above. After We finish Our investigation, We will tell You Our decision. At that point, if We think You owe an amount and You do not pay, We may report You as delinquent.

How We Will Calculate Your Balance: We use a method called "average daily balance (including new purchases)." See Your Account Agreement for details.

Billing Rights: Information on Your rights to dispute transactions and how to exercise those rights is provided in Your Account Agreement.

FINANCE CHARGES. The Finance Charge for all Cards will be determined based on the status of the outstanding balance(s) of Your Account. The status of Your outstanding balance(s) will depend on whether the portion of Your balance is an Unconverted Balance or an Installment Conversion balance. For all balance types, You will be charged a Finance Charge at a Periodic Rate on Your Account for the period any balance is outstanding.

For Unconverted Balance transactions under Your World Mastercard, Mastercard Platinum, Mastercard Platinum Rewards or Mastercard Platinum Secured Credit Card(s), the balances subject to the periodic Finance Charge are the average daily transactions balances outstanding during the month (including new transactions). To get the average daily balance for Unconverted Balances, We take the beginning balance each day, add any new purchases, balance transfers, cash advances, insurance premiums, debit adjustments or other charges and subtract any Installment Conversion balances, payments, credits and unpaid Finance Charges. This gives Us the daily balance. Then, We add up all the daily balances for the billing cycle and divide them by the number of days in the billing cycle. The Finance Charge for a billing cycle is computed by multiplying the average daily balance subject to such Finance Charge by the Monthly Periodic Rate. Your due date is at least 21 days after the close of each billing cycle. You can avoid Finance Charges on Unconverted Balances for purchases of goods and services by paying the full amount of the entire Unconverted Balance owed each month by the payment due date. Otherwise, the new balance of purchases, and subsequent purchases from the date they are posted to Your Account, will be subject to a Finance Charge. Cash advances and balance transfers are always subject to a Finance Charge from the date they are posted to Your Account.

For Installment Conversion transactions under Your World Mastercard, Mastercard Platinum, Mastercard Platinum Rewards or Mastercard Platinum Secured Credit Card(s), the balances subject to the periodic Finance Charge are the average daily transactions balances outstanding during the month (including new transactions). To get the average daily balance for Installment Conversions, We take the beginning balance each day, add any new Installment Conversions, debit adjustments or other charges and subtract any payments, credits and unpaid Finance Charges. This gives Us the daily balance. Then, We add up all the daily balances for the billing cycle and divide them by the number of days in the billing cycle. The Finance Charge for a billing cycle is computed by multiplying the average daily balance subject to a Finance Charge by the Monthly Periodic Rate. Installment Conversion balances are always subject to a Finance Charge from the date they are posted to Your Account.

Installment Conversion balances are subject to a Monthly Periodic Rate of 0.07491% (corresponding **ANNUAL PERCENTAGE RATE** 8.99%).

For World Mastercard, all Unconverted Balance transactions are subject to a Monthly Periodic Rate of 1.2283% - 1.8117% (corresponding **ANNUAL PERCENTAGE RATE** 14.74% - 21.74%), based on Your creditworthiness at the time You established Your Account.

For Mastercard Platinum, all Unconverted Balance transactions are subject to a Monthly Periodic Rate of 1.0408% - 1.6242% (corresponding **ANNUAL PERCENTAGE RATE** 12.49% - 19.49%), based on Your creditworthiness at the time You established Your Account.

For Mastercard Platinum Rewards, all Unconverted Balance transactions are subject to a Monthly Periodic Rate of 1.1867% - 1.700% (corresponding **ANNUAL PERCENTAGE RATE** 14.24% - 21.24%), based on Your creditworthiness at the time You established Your Account.

For Mastercard Platinum Secured, all Unconverted Balance transactions are subject to a Monthly Periodic Rate of Monthly Periodic Rate of 0.8750% - 1.0417% (corresponding **ANNUAL PERCENTAGE RATE** 10.50% - 12.50%), based on Your creditworthiness at the time You established Your Account.
